1. Getting started

1. Install the “DS Win” application from [NS02 series website](#).
2. Need to connect your PC through in the same local area network (LAN) as the Shuttle XPC NS02 series:
 - Turn on Wi-Fi then choose the network name.
 - Confirm that your PC is connected to the same LAN as your NS02 series.

“DS Win” application runs with Windows 7, 8, 10 above provided by the manufacturer.
